THE LWE LEADERSHIP LOUNGE IN HUNTERDON COUNTY

This lounge is launching in an effort to provide women with the tools, guidance and networking contacts to help them advance their business and / or careers that focus in:

- *STEM: Science Technology Engineering and Math*
- *Life Sciences: Biotech, Pharma & Medical*
- *Environment & Sustainability*

JOIN US for an evening of industry specific professional development and inspiration.

Learn what issues are holding women back and strategies on how to make it to the top.

This lounge will meet monthly for members and provide empowering, networking, leadership workshops and peer-to-peer advisory.
